

# Start the 2010-11 New School Year Right!

Enroll in RAP—offered all 180 school days through the City of Santa Barbara Parks & Recreation Department.

This recreation afterschool program provides crafts, clubs, field trips, sports, special events and homework assistance to children grades 1 through 6 who attend Adams, Monroe, OAS, Roosevelt and Washington elementary schools.

RAP provides a supervised, fun environment where children can make new friends after school. Parents love RAP for its convenience, affordability and safety, along with knowing their children are being cared for by well-trained staff.

## Where & When:

RAP takes place at your child's campus on all school days. Every effort is made to provide a program during parent/teacher conference and early release days. All program sites are open until 5:30pm, except Roosevelt which ends at 5pm daily. Please check with the Program Site Director to verify early release/parent conference schedules.
